

Al Salam Bank Launches Multi-Currency Debit Card to Support International Transactions and Travel Needs

Manama, Kingdom of Bahrain – 14 July 2025: Al Salam Bank has announced the launch of its new Multi-Currency Debit Card, designed specifically to meet the needs of clients who travel frequently or engage in international transactions. This product forms part of the Bank's ongoing efforts to provide advanced and convenient banking solutions.

The new debit card allows clients to link their accounts in six different currencies: Bahraini Dinar (BHD), US Dollar (USD), British Pound (GBP), Euro (EUR), Turkish Lira (TRY), and UAE Dirham (AED). It enables users to complete international transactions in the desired currency, with no currency conversion fees.

Clients can apply for the Multi-Currency Debit Card through the Bank's mobile application or by visiting the nearest branch. The card offers full control over linked currencies through a user-friendly interface, making it an ideal solution for travelers and online shoppers alike.

Commenting on the launch, Mr. Mohammed Buhijji, Head of Retail Banking at Al Salam Bank, said: "We are proud to launch the Multi-Currency Debit Card, which marks a significant enhancement to our payment offerings, particularly for clients who travel regularly or conduct financial transactions internationally. This product was developed to meet the aspirations of our clients and provide them with a seamless, secure, and efficient banking experience. We encourage all our clients to benefit from this new card through our digital channels or branch network."

He added: "The Multi-Currency Debit Card complements our existing suite of foreign currency prepaid cards, offering the added benefit of enabling clients to carry a single card for travel and shopping, with the flexibility to manage account-linked currencies directly through the Bank's mobile app."

This initiative aligns with the Bank's strategic objective to strengthen its leading position in both the local and regional markets by expanding its digital product portfolio and meeting the evolving needs of a diverse client base.
