

Ajman Bank Appoints BHM Capital as a Liquidity Provider

Dubai, 21st November 2022 Ajman Bank PJSC, a leading UAE Islamic bank listed on the Dubai Financial Market, announced appointing BHM Capital as a liquidity provider for its shares. BHM Capital will independently trade Ajman Bank shares within defined parameters and following regulatory approvals in accordance with their requirements.

A Liquidity Provider is appointed by a publicly listed company to enhance the trading of its shares by maintaining tight bid /ask spreads, increasing traded volumes and lowering volatility, which in turn reduces the overall liquidity risk discount to the price of listed shares of issuers.

BHM Capital Financial Services is a private joint stock company listed in Dubai Financial Market (DFM) and regulated by the UAE Securities and Commodities Authority.
