

Press Release:

“Drake and Scull” Appoints Muin Al Saleh as New Chief Executive Officer

Dubai, UAE, 21 November 2024 – Drake and Scull International PJSC (DSI), specializing in contracting services for mechanical, electrical, and plumbing (MEP), as well as oil and gas, water and wastewater treatment projects, is pleased to announce the appointment of Mr. Muin Al Saleh as its new Chief Executive Officer, effective immediately. As DSI embarks on a new chapter of growth and development, Mr. Al Saleh will focus on driving operational growth and efficiency to achieve the objectives set by the board of directors, while positioning the Company to strengthen its project delivery capabilities, enhance client satisfaction, and optimize cost management across its core business sectors.

With over 25 years of extensive experience in the engineering, construction, and infrastructure sectors, Mr. Al Saleh brings a wealth of strategic leadership and industry expertise to DSI. Prior to joining DSI, Mr. Al Saleh held executive leadership roles at several prominent engineering and construction firms in the Middle East, as well as in international markets. His appointment aims to reinforce the Company’s commitment to revitalizing operations, focusing on operational efficiency, controlling costs, delivering current projects, winning new projects, and driving productivity and growth.

Mr. Al Saleh has a proven track record of steering organizations toward market leadership, operational efficiency, and innovative solutions. His leadership is expected to further strengthen DSI’s capabilities and align with the Company’s objectives to deliver world-class infrastructure solutions, engineering services, enhance project execution and reinforce DSI’s position as a preferred partner across the region.

Mr. Al Saleh expressed his enthusiasm about joining DSI, stating, "I am honored to lead DSI and work alongside a talented team dedicated to advancing our clients' projects and creating value. I look forward to strengthening our industry partnerships, fostering innovation, and achieving the ambitious goals set by the Company."

The Board of Directors is confident that under Mr. Al Saleh’s leadership, DSI will not only build on its rich legacy but also elevate the Company’s presence in the regional markets. His expertise in project execution and market expansion will be instrumental in reinforcing DSI’s position as an industry leader in the Middle East and the Region.
